

# Brattleboro Memorial Hospital's **PRIDE TIME Clinic**

## What is PRIDE TIME?

“Pride Time” is a space dedicated to providing comprehensive health care for LGBTQIA+ people and families in an environment that is safe, supportive, and affirming.

### **Dr. Eli Goldberg**

Eli Goldberg, MD,AAHIVS, (*hel/him*) is a primary care physician with BMH's Maplewood Family Practice who also serves as the lead

clinician for Pride Time. Dr. Goldberg is a family doctor with fellowship training in LGBTQIA+ health.

### **Summer Burch, APRN**

Summer Burch (*she, her*) is an advance practice registered nurse. She is an experienced primary care clinician who is also trained to provide gender affirming care and meet the healthcare needs

of people who are members of the LGBTQIA+ community.

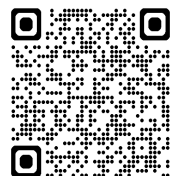

## Why PRIDE TIME?

Pride Time is an inclusive, community-focused space for both primary care and special services including:

- Gender-affirming care
- HIV prevention (PrEP)
- STI testing and treatment
- Contraception
- Cancer screenings
- Mental health and substance use treatment
- Integrated social work support

Maplewood Family Practice  
a Department of Brattleboro Memorial Hospital

**You do not need to be a patient of Maplewood Primary Care to access LGBTQIA+ focused care during Pride Time!**
