

PRIDE TIME Clinic

at Brattleboro Memorial Hospital

What is PRIDE TIME?

“Pride Time” is a space dedicated to providing comprehensive health care for LGBTQIA+ people and families in an environment that is safe, supportive, and affirming.

Meet

Dr. Eli Goldberg

Eli Goldberg, MD, AAHIVS, (he/him) is a primary care

physician with BMH's Maplewood Family Practice, and the lead clinician for Pride Time. He is a family doctor with fellowship training in LGBTQIA+ health.

Maplewood Family Practice
a Department of Brattleboro Memorial Hospital

Dr. Goldberg is a proud member of the LGBTQIA+ community.

Why PRIDE TIME?

Pride Time is an inclusive, community-focused space for both primary care and special services including:

- Gender-affirming care
- HIV prevention (PrEP)
- STI testing and treatment
- Contraception
- Cancer screenings
- Mental health and substance use treatment
- Integrated social work support

You do not need to be a patient of Maplewood Primary Care to receive LGBTQIA+ focused care during Pride Time!

Call for an appointment: 802-254-1311
